## 2008 Principal International Businesses Directory

### **Overview**

The *2008 Principal International Businesses Directory* contains the top 52,000 companies located outside of the United States, based on total number of employees. Information for the directory was extracted from Dun & Bradstreet's WorldBase® file.

### ***D&B Principal International Businesses Disc Series***

Instant access to information on as many as 500,000 top international companies is available through the D&B Principal International Businesses Disc Series. This product consists of three different levels of coverage:

- **Basic** — lists the top 100,000 non-domestic companies based on total employment.
- **Expanded** — lists the top 250,000 non-domestic companies.
- **Expanded Plus** — lists the top 500,000 non-domestic companies.

### **Data Elements**

A typical business listing may include:

- D-U-N-S Number
- Import/Export Indicator
- Company Name
- Parent Company Name
- Parent Country
- Company Address
- Telephone Number
- Telex Number
- Fax Number
- Ownership Date
- Sales in U.S. Dollars
- Total Number of Employees
- Up to Six Industry Classifications
- Line of Business
- Chief Executive Name and Title
